<p>Highlights Explanation</p>	<ol style="list-style-type: none"> <p>1. Laos to Cambodia</p> <p>This tour starts in Pakse and the beautiful Bolaven Plateau. Here you will stay in our very own Kingfisher Ecolodge, trek in the Ban Kiet Ngong forest and even camp overnight. Next, kayak and walk through the 4,000 islands in southern Laos, before crossing the border into Cambodia. Here, you'll explore the forests of the Ramsar Wetlands, hike Mt Kulen and discover the temples of Angkor by bike.</p> <p>2. Connecting Vietnam</p> <p>This 17-day cycling tour takes you from Ho Chi Minh City to Hue by bike, along the coastal towns of Mui Ne, Nha Trang and Quy Nhon, the beautiful central highlands, ancient towns of Hoi An and Hue, before flying to Hanoi and enjoying a relaxing tour of Halong Bay. This tour is the perfect way to explore the country by bike, encompassing all that is great in Vietnam.</p> <p>3. E-bike in Hue</p> <p>We have lately acquired e-bikes in our Hue office, and therefore we are running a number of tours for those who would like a cycle tour but are perhaps less active. Our e-bike tours are available throughout the old town of Hue, in the surrounding countryside and along the Hai Van Pass, and even to the Bach Ma National Park where you can combine cycling, trekking and nature viewing</p> <p>4. Thailand to Laos</p> <p>Our latest tour, this perfectly combines soft adventure and local, hands-on experiences. Starting in Chiang Mai, you'll trek and cycle among hill tribe villages, stay overnight with the local people and learn to cook traditional Thai food. You'll cross the border by boat into Laos, then head slowly to Luang Prabang where you'll visit the stunning waterfalls and visit the MandaLao Elephant Conservation centre.</p>
