

Rafting Expedition

Bagwan down to Rishikesh on Ganga River

(3 days, 2 nights)

We start the **river journey** totally self-sufficient with all supplies, equipment, food, tents etc., all carried on the rafts along with the guests. It's an ideal way for reaching the most remote and stunning areas that the Indian Himalayas have to offer. We get to set up camps at scenic locations, offer sumptuous meals, relax by campfires and have loads of fun. We also have an opportunity to take short day hikes to explore remote villages, monasteries and learn about new cultures. The simple life, amazing canyons, sound and fragrance of the forests fills ones senses. The fast-paced life of the city seems to be a myth in these surroundings.
