

## • PATA Tour # 02 : Colombo by Jeep

Drive around in Colombo in a World War II jeep or in the world's oldest Land Rover.

This pioneering venture is a first on the global tourism, the Willys MB and Willys M38A1 and Land Rover series 1 early version Jeeps will be in service for tourists. The Willys Jeep was primarily used during World War II and other warfare by the United States and its allies. These Jeeps were manufactured in the year 1942 to 1949 and the Land Rover series 1 early version in 1948 are now collectors' items.

These jeeps have classical connections with all-time war movies such as Killing Fields, Bridge too far, 1972 ,Pearl Harbor, Battle of the buldge , Missing in action , Air America The Bridge at Remagen, Deer Hunter ,Platoon ,Raid on Entebbe ,Octopussy ,The longest day, Dirty Dozen ,Delta Force , Godfather

Colombo by jeep is different to any other City Tour since you sit in those open to air jeeps you find 360 degree visibility, to take photographs or for sightseeing no obstacles blocking your view and when the windshield is put down the cool breeze hits you and take you to a different world. The feeling which you never get in any other.

For these tourists who prefer to experience something novel and unique, now have a golden opportunity to enter the world of bygone era while on holiday. Clients will be riding jeep approximately for three hours visiting nineteen places as listed (Galle face green, Galle face hotel, Dutch hospital, Old parliament, Old Colombo light house, Colombo light house, Grand oriental hotel, Colombo Harbor, Slave Island area, Gangarama Seema Malakaya, War memorial, Public Library, National Museum, Nelum Pokuna Theatre, Vihara Maha Devi park, Colombo Town hall, Race course shopping area, Independence Square, BMICH, Replica of Aukana Buddha statue, Aththidiya Bird sanctuary
